Benjamin: Hey guys, what are we doing with the keys today?
Hilary: I've got them. Whoever wants them can meet me at lunchtime or after
Elliot: I'm ok. We're meeting for the drinks in the evening anyway and I guess we'll be going back to the apartment together?
Hilary: Yeah, I guess so
Daniel: I'm with Hilary atm and won't let go of her for the rest of the day, so any option you guys choose is good for me
Benjamin: Hmm I might actually pass by at lunchtime, take the keys and go take a nap. I'm sooo tired after yesterday
Hilary: Sounds good. We'll be having lunch with some French people (the ones who work on the history of food in colonial Mexico - I already see you yawning your head off)
Benjamin: YAAAAAWN Where and where are you meeting?
Hilary: So I'm meeting them at the entrance to the conference hall at 2 pm and then we'll head to this place called La Cantina. Italian cuisine, which is quite funny, but that's what they've chosen
Benjamin: Interesting To be honest, Hilary, I almost feel like changing my mind. Wanting to take this nap might end up costing me to dear
Hilary: Oh come on
Benjamin: All these terrible obstacles on mu way to bed might just prove to much to take
Hilary: We'll try to avoid talking about their subject of research. Oh wait, no, I'm actually meeting them because I wanted to chat about their research lol
Elliot:
Hilary: Do join us, we're going to have fun. And then you'll take the keys and take this most deserved of naps
Elliot: Sounds like a plan
Hilary:
Elliot: See you at 2 then xx
Max: Know any good sites to buy clothes from?
Payton: Sure :) <file_other> <file_other> <file_other> <file_other> <file_other> <file_other> <file_other> <file_other>
Max: That's a lot of them!
Payton: Yeah, but they have different things so I usually buy things from 2 or 3 of them.
Max: I'll check them out. Thanks.
Payton: No problem :)
Max: How about u?
Payton: What about me?
Max: Do u like shopping?
Payton: Yes and no.
Max: How come?
Payton: I like browsing, trying on, looking in the mirror and seeing how I look, but not always buying.
Max: Y not?
Payton: Isn't it obvious? ;)
Max: Sry ;)
Payton: If I bought everything I liked, I'd have nothing left to live on ;)
Max: Same here, but probably different category ;)
Payton: Lol
Max: So what do u usually buy?
Payton: Well, I have 2 things I must struggle to resist!
Max: Which are?
Payton: Clothes, ofc ;)
Max: Right. And the second one?
Payton: Books. I absolutely love reading!
Max: Gr8! What books do u read?
Payton: Everything I can get my hands on :)
Max: Srsly?
Payton: Yup :)
Rita: I'm so bloody tired. Falling asleep at work. :-(
Tina: I know what you mean.
Tina: I keep on nodding off at my keyboard hoping that the boss doesn't notice..
Rita: The time just keeps on dragging on and on and on....
Rita: I keep on looking at the clock and there's still 4 hours of this drudgery to go.
Tina: Times like these I really hate my work.
Rita: I'm really not cut out for this level of boredom.
Tina: Neither am I.
Beatrice: I am in town, shopping. They have nice scarfs in the shop next to the church. Do you want one?
Leo: No, thanks
Beatrice: But you don't have a scarf.
Leo: Because I don't need it.
Beatrice: Last winter you had a cold all the time. A scarf could help.
Leo: I don't like them.
Beatrice: Actually, I don't care. You will get a scarf.
Leo: How understanding of you!
Beatrice: You were complaining the whole winter that you're going to die. I've had enough.
Leo: Eh.

Igor: What do you mean? John: Well, they say how you end things shows how you really are... Igor: And now how you start, right? John: Gotcha! Igor: So what shall I do then? John: It's only two weeks left, so grit your teeth and do what you have to do. Igor: Easy to say, hard to perform. John: Come on, stop thinking, start doing! Igor: That's so typical of you! :) Clara: Hi, what you up to? Neela: Not much, chilling out. Clara: Just rewatching Dear White People on Netflix, love it! Neela: Oh yeah, heard of it, but not seen it yet? Any good? Clara: Well, yes! I just said it was, LOL. It's about a fictional Ivy League University and the students in one House of Residence. Neela: Why is it called Dear White People? Clara: That's the name of the radio show the main character, Sam, presents on college radio. Neela: Yeah, but why is it so good? Clara: Well, it's mainly stories from the perspective of black students there, which I find very interesting. The characters are strong and likeable too. Neela: I suppose it's rather different from the UK, then? Clara: It seems so, as there is a lot more racial awareness and discrimination there than here. It all kicks off when there is a Blackface party held by an elite group of white students, which gets out of hand. Neela: How's that? Clara: Well, obviously, the black students try to break it up and there's also an incident where one guy, Reggie, gets a loaded gun pointed at him by a campus policeman after he gets into an argument with a white student. It may be at another party, though, I'm not sure of that. Neela: Oh, that sounds pretty strong stuff. What else happens? Clara: Well, there is a young black guy called Lionel who is coming to terms with being gay and is finding his voice as a journalist. He unearths corruption at the uni and he and Sam also uncover some conspiracy theory stuff about secret societies. Neela: Well, I must say, it does sound good, I'll check it out soon! Clara: Definitely, there is supposed to be a Series 3 coming up next year, really looking forward to it! Neela: Well, thanks Clara, I'm just watching the rest of a movie and I'll try Dear White People. Clara: Don't blame me if you get hooked and stay up till 4! Neela: See ya, love! Clara: Bye! Deirdre: Hi Beth, how are you love?
Beth: Hi Auntie Deirdre, I'm been meaning to message you, had a favour to ask.
Deirdre: Wondered if you had any thought about your Mum's 40th, we've got to do something special!
Beth: How about a girls weekend, just mum, me, you and the girls, Kira will have to come back from Uni, of course.
Deirdre: Sounds fab! Get your thinking cap on, it's only in 6 weeks! Bet she's dreading it, I remember doing that!
Beth: Oh yeah, we had a surprise party for you, you nearly had a heart attack!
Deirdre: Well, it was a lovely surprise! Gosh, thats nearly 4 years ago now, time flies! What was the favour, darling?
Beth: Oh, it was just that I fancied trying a bit of work experience in the salon, auntie.
Deirdre: Well, I am looking for Saturday girls, are you sure about it? you could do well in the exams and go on to college or 6th form.
Beth: I know, but it's not for me, auntie, I am doing all foundation papers and I'm struggling with those.
Deirdre: What about a tutor? Kira could help you in the hols.
Beth: Maybe, but I'd like to try working. I'm 16 soon, I'm old enough.
Deirdre: I know. Look, pop in tomorrow after school and we'll have a cuppa and a chat.
Beth: Yes, thanks auntie. I'd really like to try the beauty therapy side.
Deirdre: Its not for the squeamish, mind. Massage, pedicures, not to mention waxing!
Beth: Oh yes, I was chatting to a friend about it yesterday!
Deirdre: Maxine manages the beauty side, you can meet her tomorrow and we'll see how it goes.
Beth: Yes, I'd really like that.
Deirdre: We can try a few hours on a Saturday for a couple of weeks as work experience. I'll give you a tenner or so per session to start off for your lunch, coffee and bus fare etc. If you like, we'll take it from there.
Beth: OK, I like the sound of it! See you tomorrow Auntie! Love you!
Deirdre: Bye, lovely girl! Xx
Gloria: This exam is a bit of a lottery in fact
Gloria: You can't really get prepared, it's all about experience
Emma: But there are some rules and some typical texts right?
Gloria: You can see some texts from previous years
Gloria: <file_other>
Emma: Wow that's very useful
Emma: I have never seen this site
Gloria: Yes it's very good
Gloria: Actually it's good to read all the texts because you will see that some phrases repeat very often
Emma: How much time do you have for all 4 parts?
Gloria: 4 hours
Emma: Is it enough?
Gloria: Well it has to be
Gloria: Would be perfect to have 2 more hours... But on the other hand it would be really exhausting
Emma: 4 hours and no breaks?
Gloria: No breaks -/ So it's really important to be really focused and try to write as fast as you can
Gloria: And read it carefully and correct during the last hour
Emma: I'm going to read everything from that website, it's great
Adam: Have you talked to May?
Karen: Yes, yesterday, why?
Adam: I just talked to her and I must admit I worry about her
Karen: Me too, I suggested she should see a specialist, but she wasn't very happy about it
Adam: No wonder...
Karen: I know, but I think this is serious. She's saying she's depressed, like everyone around, but in her case it may be true
Adam: She was telling me she doesn't feel like doing anything, she's bored all the time, she never feels happy. It sounds like a real, typical depression
Adam: She also told me that she has trouble sleeping. I asked her to go out for a beer or anything basically, but she doesn't want to leave the flat
Karen: Oh my, it sounds really serious. I don't what to tell you
Adam: I was wondering how I can help her
Karen: Honestly I don't know if we can help her, Adam. I suggested a specialist because these are very sensitive issues and I'm afraid we may unintentionally make it worse
Adam: Yes, but she doesn't want to see a specialist. Basically, she doesn't want to see anyone
Karen: Hm... I don't know... How about I call someone for advice? So we could know what to do
Adam: Sounds rational, do you know anyone you could call? Don't mention her name
Karen: Of course I won't! I have a friend who's a psychologist, we can trust her. I'll let you know
Adam: Thank you Karen!

Sebastian: It's been already a year since we moved here.
Sebastian: This is totally the best time of my life.
Kevin: Really?

Sebastian: Yeah! Totally maaan.
Sebastian: During this 1 year I learned more than ever.
Sebastian: I learned how to be resourceful, I'm learning responsibility, and I literally have the power to make my dreams come true.

Kevin: It's great to hear that.
Kevin: It's great that you are satisfied with your decisions.
Kevin: And above all it's great to see that you have someone you love by your side :)

Sebastian: Exactly!
Sebastian: That's another part of my life that is going great.
Kevin: I wish I had such a person by my side.

Sebastian: Don't worry about it.
Sebastian: I have a feeling this day will come shortly.
Kevin: Haha. I don' think so, but thanks.

Sebastian: This one year proved to me that when you want something really badly, you can achieve it.
Kevin: I want to win lottery and I never did :D

Sebastian: If you devoted your life to analyze all of the winning numbers, and with your math skills you could win.
Kevin: Devote myself and million dollars for lottery tickets.

Sebastian: Something like that xD
Kevin: I'm happy for you man.
Kevin: I really am
Sebastian: Thanks. It means a lot my friend :)

Frank: Son, will you come home this weekend?
Son: not sure yet. Something happened?

Frank: Of course not. Your mother miss you.
Son: I miss her too.
Frank: So will you com?

Son: I will try.
Frank: Good, I will tell your mother that you will come
Son: oh, dad.. ok I will come.

Ola: Hello Kate, sorry for not keeping in touch properly. As expected, we have hardly any connectivity here in Cuba. But we're doing fine and enjoying our trip. How are the things at home?

Kate: At long last! Started to worry. Nothing new happening, if you disregard all that Xmas craze. Momo has recovered from her injury and frolicking again.

Kate: <file_photo>
Kate: Good old Momo! Yes, it is your scarf!
Ola: NO!!! It's one of my favorites! The one from Laos!
Kate: Too late. Momo thinks it belongs to her now. Get yourself a new one. They surely have nice ones there.
Ola: Not at all. Only cheapish cotton blouses with horrible multi-coloured embroidery or some equally horrible crochettetd tops. No shawls or scarfs.

Ola: <file_photo>
Kate: Wait a sec!
Kate: <file_photo>

Kate: Isn't it similar?! Mum would probably like it. Why don't you?

Ola: Not a bad idea. But the quality is usually crappy.
Kate: And if you go to some boutique shop or something? Not at a market as in your pics?

Ola: I might try and find some. Would you like one too?
Kate: Not really. And Mum would prefer to be the only one with an authentic Cuban blouse :))
Ola: OK I'll have a look. Greets to everyone at home pls.
Kate: Take care!
